Re: Tuition Payment Completion for MA/M.Sc. Degrees

My signature on this form is a statement of my intention to complete my MA/M.Sc. studies during the current academic year \_\_\_\_\_ and I request that I be charged the balance of my tuition fees for this degree.

It is known to me that, if for any reason, my MA/M.Sc studies continue into the following academic year, I will be obligated to pay tuition fees in accordance with the accepted rules and regulations.
